

St. Agnes & St. William of York Parishes

Forming a family of disciples united in Jesus Christ

Rooted (Grades K-8):

Rooted is a parish and parent cooperative faith formation program that meets once a month from September through May. Children ages preK4 thru 8th grade gather in classrooms with a catechist while parents gather for a monthly presentation and follow-up discussion on the catechetical topic of the month. Families receive a monthly packet of materials and resources to be used during that month to incorporate the theme at home.

This year's Opening Session is Sunday, September 26th. We will begin with gathering at the 9:00am Mass to receive a special blessing for Rooted families. Following Mass, the families will gather in the St. Agnes Old School for September's topic from 10:00am-11:30am.

See the parish webpage at www.saintsaw/rooted for sign up information.

Notice of Non Verification of Immunization

St. Agnes and St. William of York Catholic Churches and the Archdiocese of Baltimore affirm our collective commitment to providing religious education, including Vacation Bible School, with the safety and wellbeing of all children as our primary focus.

Although proof of immunization is not required to participate in a religious education program, you should take notice that if your child is not immunized, he/she is considered at risk for the disease or diseases against which vaccination offers protection. Vaccine preventable diseases still exist, and especially can spread quickly in child group settings, such as a religious education program. If an outbreak of the disease against which a child has not been fully vaccinated occurs during a religious education program, the child's risk of contracting the disease increases significantly.

Participation in religious education, including Vacation Bible School, at the Parish is completely voluntary. By enrolling a child who has not been vaccinated in religious education at the Parish, parents and guardians recognize, appreciate, and assume the risks associated with lack of immunization. This voluntary enrollment similarly means that parents and guardians understand and agree that St. Agnes and St. William of York Catholic Churches and the Archdiocese of Baltimore are not responsible or liable for any disease contracted by a child who is not immunized while participating in an educational program at the Parish.
