Forming a family of disciples united in Jesus Christ

Rooted (Grades K-8):

Rooted, for children in Grades K-8, is a parish and parent cooperative program that will meet monthly for the 2022-23 year. Each month, you will pick up your family's packet of materials to be used over the following 4 weeks. Parent and child will attend monthly sessions that will introduce each month's topic. Children will meet with a catechist while parents gather for an adult session.

Rooted will begin with a parent orientation meeting on Tuesday, September 13th. Sessions begin on Sunday, September 25th following the 9am Mass. There will be a blessing of the catechists and families participating in the Rooted Faith Formation program at the 9:00am Mass. Following the Mass, proceed to the old school directly across from the church for our 1st Rooted session.

Notice of Non Verification of Immunization

St. Agnes and St. William of York Catholic Churches and the Archdiocese of Baltimore affirm our collective commitment to providing religious education, including Vacation Bible School, with the safety and wellbeing of all children as our primary focus.

Although proof of immunization is not required to participate in a religious education program, you should take notice that if your child is not immunized, he/she is considered at risk for the disease or diseases against which vaccination offers protection. Vaccine preventable diseases still exist, and especially can spread quickly in child group settings, such as a religious education program. If an outbreak of the disease against which a child has not been fully vaccinated occurs during a religious education program, the child's risk of contracting the disease increases significantly.

Participation in religious education, including Vacation Bible School, at the Parish is completely voluntary. By enrolling a child who has not been vaccinated in religious education at the Parish, parents and guardians recognize, appreciate, and assume the risks associated with lack of immunization. This voluntary enrollment similarly means that parents and guardians understand and agree that St. Agnes and St. William of York Catholic Churches and the Archdiocese of Baltimore are not responsible or liable for any disease contracted by a child who is not immunized while participating in an educational program at the Parish.
